RE: Form 8871 - Political Organization Notice of Section 527 Status

To Whom It May Concern:

I am enclosing my form 8871 that is filled out to the best of my ability. It does not have an Employer Identification Number because I have not received one as yet. I only learned of the necessity of filing this form less than a week ago. I attempted to obtain an EIN by phone from the Memphis IRS office as instructed but an automated system advised they were no longer being given out over the phone. I have requested an EIN by fax and I will file a completed form as soon as I get a response.

My campaign fund was set up to pay the bills for my candidacy for Circuit Judge in Etowah County. While I did receive some contributions from other sources, the overwhelming majority of the money going into and out of the fund came from my own personal finances. I had no paid employees working in the campaign.

I hope the information I have given on the 8871 form will be sufficient until I receive the EIN. If there is anything else I need to do to avoid a tax penalty, please let me know.

Sincerely,

Gary L. Phillips
